LEARNING TREE PRESCHOOL

A GREAT PLACE TO GROW!

Each of our classrooms are staffed with two experienced and qualified lead teachers. We provide **LOW CHILD TO TEACHER RATIOS** and offer lots of close and individualized attention for our students.

Our classrooms promote cognitive, language, physical, and social/emotional development through **QUALITY CHILD-CENTERED ACTIVITIES**.

Young children learn best through discovery and exploration. Learning Tree Preschool is **DEVOTED TO CREATING BALANCE** between academic instruction and facilitated play in the classroom.

Learning Tree Preschool has been serving the community for over 20 years and our classes are **OPEN TO NONMEMBERS** as well as members of the Tri-Cities Family YMCA.

We offer a **VARIETY OF CLASSES** to meet the needs of children ages two to five years.

Learning Tree **VALUES FAMILY INVOLVEMENT** both in the classrooms and "behind the scenes". We strongly believe that parents are their children's primary teachers!
