

March 2015

Dear Learning Tree Families,

We are excited to announce our spring fundraiser! The Learning Tree Preschool will "Walk Across America" for the second year in a row. Not only will this raise funds for our school, but it will promote health and wellness as well as geography skills for our students.

The event will kick off on April 13, 2015 and end on May 8, 2015. All money will be due on May 15, 2015.

Each class will run/walk laps in the gymnasium and each lap will cover a specific distance which will equal states covered on the map. A large map will be hung on the wall of the gym and each class will have a labeled tennis shoe that they can move across the country.

We are asking that each child request pledges from friends and family - any amount is appreciated! Families can collect donations anytime during now and the four-week time frame. Prizes will be awarded to the top earning students and classes!

YMCA members will also have the opportunity to participate with a \$20 donation. Thirty minutes of physical activity will equal one state covered. A board in the lobby will track members' progress. The member that covers the most states will also win a prize.

Please email ltpcops@gmail.com with any questions.

We look forward to finishing out the year with a successful, fun event!

Sincerely,

The Committee Of Parents
