

WALK ACROSS AMERICA - DETAILS

Put on your comfy shoes - we're walking across America!

April 16 - May 11, 2018

All money is due: May 11, 2018

HOW IT WORKS

During class time, teachers will take the students to the gym to run/walk together to cover states on the map.

Each distance = a state

Twos and Two-Three Combo - down and back in the gym

Threes - one lap around the gym

Fours - two laps around the gym

Young Fives - three laps around the gym

For every state covered, the class will move their labeled tennis shoe on the oversized wall map of the United States in the gym. Each class will also have their own class/individual maps in the classroom where they can color in each state covered that day.
