MESSAGE FROM THE CEO

Dear YMCA Family,

There has been no greater time to work toward improving the health and well-being of our community than now. We have been doing all we can to support individuals and organizations that are helping to mitigate the effects of COVID-19 in the Tri-Cities. Through food collection and distribution, community blood drives, virtual versions of our annual runs, senior and vulnerable population outreach, essential childcare, outdoor fitness programs, virtual youth and wellness programming and Summer Day Camp, we're striving to keep people engaged, connected and healthy at a time when social distancing and the threat of spreading the coronavirus can make everyone feel isolated and frustrated.

Although our facility has been closed by government order, our spirit and commitment to strengthening the community remains open because we are more than a building. We are a community and a family. By sticking with us through sustained or on-hold membership, you're inspiring us to keep working to strengthen the community. Thank you for staying with us.

When we do reopen the facility, we are committed to doing it in a way that protects your safety and that of our staff. Please visit our [Reopening Guidelines](#) page to learn more about steps we're taking. We can't wait to welcome you through our doors again.

Sincerely,

Gregory Coil, CEO

OUTDOOR Y F.I.T.

Functionally Intense Training is a challenging, yet rewarding training program. It is structured around the 10 components of fitness: strength, stamina, endurance, accuracy, power, agility, balance, speed, coordination, and flexibility. All classes begin with a mobility portion, a strength component, and a WOD (workout of the day). Classes are conducted as group personal training and designed to allow for personal instruction with the benefit of encouragement from other participants. Being part of this program allows one to have access to Y F.I.T. equipment and box space.

How does a beginner start? We encourage individuals to join us for a Try-It class. Upon joining, you will be integrated into classes and introduced to various movements based on your current fitness level. Y F.I.T. can be scaled for ALL fitness levels. Please contact Brandy Fisher at brandy.fisher@tcfymca.org for further information.

OUTDOOR OPEN GYM

Join us outside for Outdoor Open Gym! Members will have access to equipment to use freely in the front of the Y or at the waterfront area adjacent to the Y.
