LET THE JOURNEY BEGIN AT THE Y!

Y for All Capital Improvement Project is underway!

We appreciate your patience as we renovate to improve member experience and sustain our Y for future generations. Planned improvements include:

- Expanding and modernizing Early Childhood Classrooms.
- Investing in intergenerational wellness by relocating cardio equipment and indoor track.
- Stewarding essential infrastructure by replacing and upgrading mechanical systems and roofs.
- Redesigning our locker rooms to increase privacy and create a universal locker room for members and families with private changing rooms.
- And, MORE!

Please note, Summer 2 Session offerings may be limited and/or unavailable during construction. Additionally, some of your favorite programs may be temporarily relocated. Please see PAGE 2 of this Program Guide for further details. We appreciate your flexibility as we work toward building a better facility for the future!
